Subject: RE: Availability to testify

I was in Brockton today, so I don't know if any ADAs called, but here is my schedule for the rest of this week:

Tuesday, 5-17: Springfield District & New Bedford District Wednesday, 5-18: Springfield District

I'm free on Thursday and Friday. As for my New Bedford case, the ADA is suppose to let me know when she thinks it will start (she also has a trial starting today and thinks it may very well go into tomorrow, so my case may start in the afternoon). I'm under the impression that she will be trying to get to me on Tuesday afternoon, but if her other case goes long I'm not sure if it will be pushed to Wednesday. My Wednesday Springfield District case is with ADA Weissman, and he has never called any of us in the lab to testify, so my guess is that I won't be needed by him.

Subject: Availability to testify

Hi Sonja, we have a few trials this week. I'm fairly certain they will either be pleas or continuances, but I want to make sure I cover all by bases, what is your availablity this week? Thanks!!!!
